

COME TO EARTH DAY LOBBY DAY 2008!

On Tuesday, April 15th, 2008, join hundreds of activists in Albany calling for stronger laws protecting our air, water, and land.

In the morning, we will hear from state lawmakers and environmental leaders about important bills pending in the State Legislature. In the afternoon, we will meet with State Senators and Assemblymembers and urge them to take action to curb global warming, increase recycling, cleanup up brownfields, protect New York's wetlands, and more.

The all-day event is FREE and open to all, but you must pre-register. All participants will get a free t-shirt. **To register, simply complete this form and e-mail or fax it to Bill Mahoney at NYPIRG by Friday, April 11.** We will send you more detailed information about the location, schedule, and agenda for the day.
