About Scenic Hudson
 Champion of protecting the Hudson Valley's irreplaceable natural treasures, Scenic Hudson has conserved 8,000 acres of farmland essential to maintaining a healthy local food supply and \$530-million agricultural economy; generated 500 construction jobs since 2009 to create new parks that will spur the region's \$4.7-billion tourism industry; and led the fight for clean drinking water and enhanced recreation from a Hudson River free of PCBs.
