COLLABORATION AGREEMENT:

Images for Events at The Hub

After years of hard work, Scenic Hudson's Northside Hub at 58 Parker Avenue is open and ready to welcome the Poughkeepsie community as well as visitors from near and far.

This transformative project combined a historic renovation of what was the abandoned Standard Gage factory with a cleanup of the contaminated grounds. Running entirely on the sun, The Hub is home to inspiring indoor and outdoor spaces to learn, grow, play, create, and celebrate together.

To help you prepare for your event, we've put together this Collaboration Agreement to guide your use of Hub images, including photos and videos.

By organizing an event at The Hub, you confirm that you've read and agree to follow these guidelines.

Name of Venue:

The space is officially named "Scenic Hudson's Northside Hub" and lovingly referred to as "The Hub" – either name can be used in event communications.

Images of the Hub:

We have great existing photos of The Hub that you are welcome to use to promote your event. To request photos, please contact Jo-Anne Asuncion at Scenic Hudson (jasuncion@scenichudson.org).

Ownership & Photo Credits:

We own and hold the rights to the use of Scenic Hudson photos. Images cannot be edited without permission and must be credited as follows: "Image: Photographer Name / Courtesy of ScenicHudson.org".

Event Photos:

You are invited to take photos and videos of your event at The Hub. Scenic Hudson offices, desks, and work areas are private spaces and should not be filmed or photographed.

Consent & Respect:

You must get consent from Scenic Hudson to use images of The Hub for any purpose other than communicating about the event. We also ask that all communications respect the mission of Scenic Hudson, the new space, participants, and the local community. *Please note:* Scenic Hudson is a nonpartisan, nonprofit organization. Images of The Hub should never be used to support or oppose a candidate or party, or for any for-profit campaign/advertising.

Social Media:

If you use images of The Hub on social media, please tag @ScenicHudson, use the hashtag #TheHubPK, and – if it's a Scenic Hudson image – remember to include the relevant photographer credit.

Additional Inquiries:

Any requests for information or content regarding The Hub that are not directly related to your event should be forwarded to Scenic Hudson.
